
**Secretariat of the Commission for Environmental Cooperation
of North America**

Notification to Council of the Withdrawal of a Submission

Submitters: Leoncio Pesqueira Senday
Fernanda Pesqueira Senday
Milagro Pesqueira Senday
Arcadio Pesqueira Senday
Party: Mexico
Date of revised submission: 10 and 24 October 2002
Date of original submission: 23 August 2002
Date of notification: 16 July 2004
Submission number: SEM-02-004/El Boludo Project

By this notification the Secretariat informs the Council that it has ceased all activities relative to the submission indicated above. This action terminates consideration of the recommendation to develop a factual record on this submission, presented by the Secretariat last 17 May.

The present notification is based on section 14.2¹ of the Guidelines for Submissions on Enforcement Matters, given that on 15 July, the Secretariat received notice from Mexico that it does not wish consideration of the submission to continue because the Submitters informed the Secretariat in writing, on 7 July and in a related document of 11 June 2004, that they wished to withdraw the submission.

¹ **14.2** If the Submitter informs the Secretariat in writing that it wishes to withdraw its submission after the response from the Party is received by the Secretariat, the Secretariat will proceed no further unless the Party concerned informs it that consideration of the Submission should continue. The Secretariat shall inform the Council of any such notice of withdrawal and of whether or not the Party concerned wants consideration of the submission to continue.

El Boludo Project –
Withdrawal of a submission
